Dear «Contact_Salutation»,

Our first two years of hosting Centre Gives have raised a combined total of \$965,000 for over 80 local, non-profit organizations! This year, your donor-advised fund can make the impact on our community even greater during this 36-hour online giving event that begins at midnight on May 6th and ends at 11:59 am on May 7th.

For the first time ever, your donor-advised fund will be able to make a grant to any of the 80+ non-profit organizations that are participating in Centre Gives! Your contribution's impact will go even further as Centre Foundation is once again providing a \$100,000 pro-rated match.

This new feature allows you to continue steering your donor-advised fund's monies to the specific causes that you generously and passionately support. A minimum contribution level of \$100 is in effect for the donor-advised contribution option. Please keep in mind that during Centre Gives, only the first \$10,000 of a contribution will be eligible for the match; separate \$10,000 contributions may be granted to multiple, participating organizations – all of which will be eligible for the match.

We hope you will take advantage of this new opportunity to engage in Centre Gives. If you have any questions, please do not hesitate to contact our office. To request a contribution be made from your donor-advised fund, please complete the enclosed form and return it to Centre Foundation no later than Monday, May 5th.

Sincerely,

Molly Kunkel,
Executive Director
